

Dearest Vaishu,

Having heard so much about you and of course Hiraji from Taru it was such a delight to meet you!! The Kailash-Mansarovar Yatra was a dream of mine after having gone to Char Dham and also after going through some tough times with my health. You are one of the most genuine and caring persons I have ever met and your wealth of experience and positive energy rubbed off to us all. The Kailash siting and first encounter of awe-inspiring, it really struck a cord in my heart and we have you and Hiraji to thank for that ~~all~~ all the blessings we received from him were compounded with darshan from all faces and continued at last to yesterday's blessing from Lama at Potata Palace.

I would recommend your whole crew to every one - every member of your staff cared about the well-being of all Yatris. We cannot thank you enough.

lots of love always -  
this is a beginning to a new friendship!!
